

Have a child interested in golf?

Application Deadline

May 19, 2017

The Grand Island Community Foundation is proud to offer youth golf scholarships through the William Fowles Memorial Fund.

The William Fowles Memorial Fund was established by family and friends shortly after he passed away in 2010. Dr. Fowles loved the game of golf, but even more so, he loved introducing the game of golf to young people.

Scholarships will be awarded for the 2017 Summer Junior Golf session. Scholarships will cover the program cost. Participants will be responsible for transportation to and from the golf course. Those interested in requesting scholarship assistance are asked to fill out the included application. Scholarship requests can be sent to: William Fowles Memorial Fund, Grand Island Community Foundation, 1811 West 2nd Street, Suite 365, Grand Island, NE 68803. Requests are due Friday, May 19th. (When circumstances warrant, full scholarships and/or assistance with gas may be available.)

Applicant must be registering for the Youth Golf programs at either Jack Rabbit Run or Indianhead Golf Course in Grand Island. Participants will be responsible for their own transportation to and from the golf course.

Jack Rabbit Run and Indianhead Golf Courses in Grand Island offer Junior Golf programs, beginning in June for children ranging from 7 – 17 years of age. The goal of each program is to provide students with the opportunity to learn the game of golf in a fun, relaxed atmosphere and to build character, self-confidence, and skills.

Indianhead Golf Course offers three divisions:
